**Re: PROPOSED AMENDMENT: 2020 Plan of Development and Operations for  
the Kenai Gas Field Pool 6 Gas Storage**

Dear Mr. Stokes:

Hilcorp Alaska, LLC ("Hilcorp") as Operator, hereby submits this amendment to the 2020 Plan of Development and Operations ("2020 POD") for the Kenai Gas Field Pool 6 Gas Storage Lease ADL 390821. This plan will be effective from August 1, 2020 through July 31, 2020.

This amendment is a response to recent changes to the development plan of the Pool 6 Gas Storage Lease. Hilcorp plans to bail, or clean out, an existing Pool 6 well and potentially add two more projects to the 2020 POD. Hilcorp would like to add the following projects to the 2020 POD.

Hilcorp plans to bail sand ~100' that is currently covering perfs in the KU 31-07X well to increase deliverability. Hilcorp has potential plans to drill a grass roots well in Pool 6 (14-06X twin well). Hilcorp also has potential plans to add perfs to the KU 13-06 in the Pool 6 sands.

Your approval of this amended 2020 POD is respectfully requested. Should you have questions, please contact the undersigned at 777-8432.

Sincerely,

A handwritten signature in black ink that reads 'Cody T. Terrell'.
